Shaun,

I'm finishing my review of the modeling done for the proposed Allegheny Energy Center. I want to go over my preliminary comments with you later next week if you have some time. **Ex. 6 Personal Privacy (PP)** Do you have some time next Thursday or maybe next Wednesday morning to talk (5/19 or 5/20)? Let me know if I need to invite others in your group on the call; I'll be mainly discussing the dispersion modeling files you sent me a couple of weeks ago. I may invite Jessica Fry from my group. My preference is to do a teams meeting if you have that capability.

Thanks in advance.
